

On September 17 of each year, the Morningside Civic Union (MCU) hosts an event to celebrate Constitution Day. In recent years, the following activities have been included in the celebration of Constitution Day:

- Hosted films on the Founding (example: “ John Adams”) with discussion of issues surrounding the founding;
- Sponsored “Who wants to be a citizen?” game show and table tents that encouraged students to assess their citizenship knowledge;
- Hosted speakers discussing Constitutional issues, both past and present;
- Handed out copies of the Constitution to students;
- Integrated these activities into MCU’s annual Morningside Democracy Project, voter registration drive.

All activities related to Constitution Day will be publicized each year by MCU in the campus media to encourage the Morningside community to participate.
